UPDATED REGULARLY!!!**

The website is the clubs main form of communication within the club

Hi Everyone,

Well the 2007 season has finally started.....

All Sub-Juniors (Under 6's-Under 10's) started on 28th April and play on Saturday mornings.

All Juniors (Under 11's-Under 18's) started on 6th May and play on Sundays.

Throughout the season could all coaches or team managers try and forward some interesting news items and progress results to me at gabcsmith@optusnet.com.au so we can keep the whole club informed on how everyone is going.

A big welcome to all the Striker players and their families, that includes the Senior teams and the under 13's boys and girls.

Check out page 3 for a fantastic competition you can enter!!!!

Hope you all have an enjoyable season.
Brenda.

GAME FIXTURES 2007

All fixtures can be accessed by going onto our home page

www.peninsulasoccerclub.org.au

and following the prompts.

From experience, once the kids reach under 11's upwards they usually race home and straight to the computer to see how all the other teams in their division went that day and where they are on the ladder.

FIRST TIME EVER....

For the first time ever the Bayside League has introduced a new playing age

AN UNDER 6 COMPETITION

The Peninsula Soccer Club Wishes to extend a warm welcome to all the players, their families and the 2 coaches Andy Craig (Cougars) and Matt Grenfell (Panthers)

Check out the fixtures and come and see our little guys play. They will look like a swarm of little bees running after the ball. But, they will look so little and cute.... It only seems like yesterday that our under 18's team were like that!!!

CANTEEN

A big thank you to Meaghan Whitehead and her Mum who have taken on the role of canteen managers this year

As usual each team manager will organize a roster for parents to do at least half a game of canteen duty throughout the season.

As the saying goes..... 'Many hands make lite work'

Don't forget we are members of Rebel Sport Rebate Club. Our Membership N° is 028092. You will receive 5% discount on all purchases and our club will benefit too.

THE NEW FFV APPROVED PLAYING STRIP IS HERE

As you have all read in the last newsletter, FFV made a judgement against our playing strip of 2006 (too much black!) and we have ordered 11 new sets. The great news is that it has arrived (just) in time for the new season.

As you all have been informed, the socks and shorts will be sold to the players at cost price of \$30.00. We ask the team managers to ensure this money is collected and handed to Annette or Sue Silke who will be doing this role while Annette is away on holidays in Germany.

To complete this change and confirm our new identity we now need a new crest to be placed on the shirts. We are running a competition (see details in this newsletter) so you can all have an input. Send in as many designs as you wish.

WIN A \$250.00 REBEL SPORT VOUCHER

PENINSULA STRIKERS FOOTBALL CLUB DESIGN YOUR CLUB'S NEW CREST COMPETITION

ENTRIES CLOSE 31st May 2007

Since the exciting new merge between the Peninsula Soccer Club and the Frankston

Strikers, a new club crest is required to reflect the new direction both clubs have chosen. The club colours are Navy Blue and White with Yellow trim. Keep in mind that the new Club crest will be applied to all navy blue sport apparel,

therefore to stand out, the crest should be predominantly yellow and/or white.

From all the submitted entries, members of both the Senior and Junior Football departments will decide on the eventual winner.

The winner will receive a \$250 Voucher to Use at Rebel Sport

OPEN TO ALL AGES

All entries must be emailed to:
competition@peninsulasoccerclub.org.au

Please note: If you haven't registered yet, please do so as legally you are not to train or play without being registered with the club.

Finally the sub-junior and junior seasons have started. The new uniforms from the juniors are now here and they look fantastic. Sub-juniors are still playing in a variety of colours as we couldn't afford to change the whole club in one go and we had to comply with a Football Federation Victoria (FFV) ruling. Over the next few seasons we hope to change all our playing strips to the new colours.

I would like to thank the Committee for the incredible job done in preparation for the new season. It is a lot of work that goes on behind the scenes and we are all volunteers. We have now grown from 223 junior players in 2006 to 320 junior players in 2007. This is an increase of 44% and we cannot take any more players this season.

With this increase in players, obviously the workload has also increased. I would like to ask you all to help out in any way you can. Put your hand up as we are always looking for help.

The club will prepare a roster for all parents to help with canteen duties and with the pitches setup.

Hope you all have a great time at Peninsula

Hi All,

My Name is Craig Paton and I'm the Coach of the Under 7 Cougars. It's my son Kyle's first year of soccer and our first year at the Peninsula club. I have been given great support from Simone Long who is our Team Manager. Simone's son James is also starting his first year of soccer. We have both put in a lot of time to organize the players and parents for the start of the season. Our first game was played at home with a great win over Rosebud 9-1 with young Nathan Fulton scoring 5 goals.

All the boys played very well. Last weekend we played Carrum away at Rowellyn Park Primary School on the artificial surface. Once again the boys passed the ball around and had many shots on goal. The final score was Peninsula Cougars 7, Carrum 1, a great team win. All the boys look forward to training every Wednesday night and also playing each Saturday. That is our year so far. I would be glad to keep you informed each week.

Attached some pictures from our first game VS Rosebud.

Cheers
